A NOTE ON PACKAGES & PAYMENT PLANS

All package visits (whether paid in full or through payment plan) will expire after 1 year from date of purchase and do not roll over. Should a payment not go through on a payment plan, all remaining visits will be paused until resolved, without an extension to the expiration date. Should you default on your commitment to pay any future or remaining installments, you will be charged the difference of the amount already paid and the full price of the completed visits thus far. Additionally, you will be responsible for Late Cancellation/Reschedule and No

Show Fees regardless of payment or package plan purchases.
